Make a Beados Christmas tree decoration

You will need:

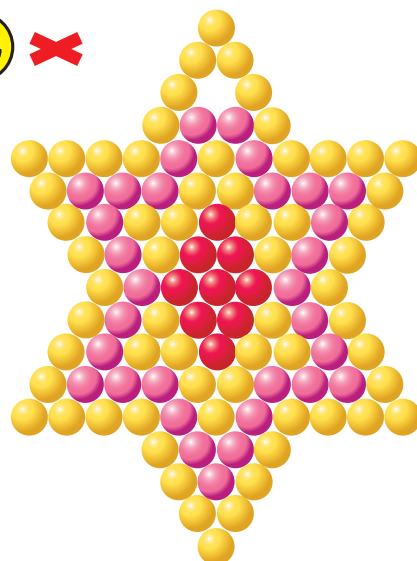

- The correct number of beads
- A Beados sprayer
- A length of gold thread (20 cm)

Instructions:

- 1 Make up the Beados design, spray with water and wait until it dries (an hour at least to be completely sure)
- 2 Once your design is dry, take hold of the gold thread and loop it through the hole in the design
- 3 Tie with a bow
- 4 Your design is ready to hang on the Christmas tree!
